

**SPRING CREEK MEADOWS HOMEOWNERS ASSOCIATION, INC.
SIGN, RELIGIOUS SYMBOL, AND FLAG RULES**

Adopted Date: January 10, 2022

Revised Date: March 14, 2022

Effective Date: March 14, 2022

In compliance with the Colorado Common Interest Ownership Act ("CCIOA"), the Board of Directors of the Spring Creek Meadows Homeowners Association, Inc. ("Association") has adopted uniform and systematic rules to address the display of signs, religious symbols, and flags within the community. These rules supersede and replace any existing policy and rules concerning these items adopted prior to the Effective Date of these rules.

Sign, Religious Symbol, and Flag Rules

1. State Law Limitations and Authority. The Colorado legislature determined that prohibitions with respect to the display of certain signs, religious symbols, and flags on the basis of their subject matter, message, or content within the community are contrary to public policy. (See C.R.S. 38-33.3-106.5.) The legislature also determined that the Association may prohibit signs and flags bearing a commercial message, and may establish reasonable, content-neutral sign and flag regulations based upon the number, placement, size or other objective factors.

2. Limitation on Existing Covenants. Based upon the CCIOA prohibitions recited above, the Association will not enforce Article VIII, Section 8.3 (G) of the Declaration except to the extent allowed by law and these rules.

The existing covenants and restrictions in the Declaration state as follows:

No sign of any kind shall be displayed to the public view on any Lot; provided, however, that signs of reasonable size not to exceed five square feet may be displayed on or from a residence advertising the residence for sale or lease. Signs used for sale, administration and directional purposes by Declarant during development of Spring Creek Meadows will be permitted.

3. Sign and Symbol Rules. An owner or occupant of a residence may display signs in accordance with the following:

- A. All signs must be placed within the boundaries of the lot.
- B. Any sign located on the common area/common elements may be removed and disposed of without notice.
- C. All signs and symbols must be maintained in good condition and must be replaced as necessary when damaged, worn, or faded.
- D. Non-Commercial Sign Rules:
 - (i) Signs may be no larger than 600 inches square (approximately 36" by 16").

- (ii) A maximum of two (2) non-commercial signs are permitted to be displayed within the Owner's property at a time.

A sign may be displayed within a window inside the residence, in the front yard, or in the back yard. Front yard signs must be located within five feet of the front of the residence.

- (iii) Yard signs, in the property of the Owner, may not be permanently affixed to the property fencing, if any.

E. Commercial Sign Rules:

- (i) For Sale/For Rent/Open House Signs

- (a) One professionally-lettered For Sale sign on the property being offered for sale or one professionally-lettered For Rent sign may be displayed on the property offered for sale or for rent. A sign may not be more than five square feet. For Sale signs must be removed not later than the date of closing, and For Rent signs must be removed when the property is leased.
 - (b) One professionally-lettered Open House sign not to exceed five square feet may be displayed on the property on the day of the open house and must be removed at the end of the day.

- (ii) Security Signs

- (a) One professionally-lettered security sign not to exceed two square feet in size may be displayed on the property, and a reasonable number of professional security decals not larger than eight inches by eight inches may be displayed within windows in a residence.

- (iii) With the exception of the permitted commercial signs noted above, all other trade, marketing, or commercial signs, including but not limited to, landscaping, painting, remodeling, or business advertising, are prohibited.

F. Rules on Religious Items or Symbols

- (i) A "religious item or symbol" means an item or symbol displayed because of a sincerely held religious belief. A religious item or symbol may not contain graphics, language, or any display that is obscene or otherwise illegal.

- (ii) A religious item or symbol may be displayed on an entry door or entry door frame of a residence, individually or in combination with other religious items or symbols, as long as they do not cover an area greater than 36 square inches.

4. Flag Rules. An owner or occupant of a residence may display flags in accordance with the following:

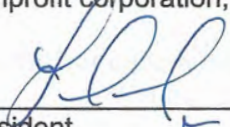

- A. All flags must be placed within the boundaries of the Lot, in a window of the Lot, or on a balcony adjoining the Lot.
- B. Any flag located on the common area/common elements may be removed and disposed of without notice.
- C. All flags, flag poles, and flag staffs must be maintained in good condition and must be replaced as necessary to prevent wear and tear.
- D. Non-Commercial Flag Rules:
 - (i) Flags shall be no larger than 3'x 5'.
 - (ii) A maximum of two (2) non-commercial flags are permitted to be displayed within the Owner's property at a time.
 - (iii) A flag may be displayed within a window inside the residence, from a balcony adjoining the residence, or from a staff projecting horizontally from a location on the front of the residence. The staff may not be longer than 8' in length.
 - (iv) Flag staffs may be installed without prior ACC approval as long as they otherwise comply with this policy.
 - (v) Flag poles require prior written approval of the Association before installation. Flag pole applications shall indicate the size, height and location of the proposed flag pole.
 - a. Flag poles can be no taller than 20 feet in height or the height of the residence, whichever is smaller.
 - b. Flag poles shall be located no further than 6 feet from the residence and no closer than 6 feet from the Lot boundary.
 - (vi) Notwithstanding the above, permitted flags may not be illuminated without prior written approval of the Association. Any request for lighting must detail the type and location of lighting. Lighting shall not be installed so as to disturb other residences.
- E. Commercial Flag Rules:
 - (i) Flags bearing a commercial message, including but not limited to, trade, marketing, landscaping, painting, remodeling, or business advertising are prohibited.

These Sign, Religious Symbol, and Flag Rules were adopted by the Board of Directors of the Association.
