

Spring Creek HOA Newsletter Winter 2020

Message from the Board

We hope everyone is staying healthy! Our HOA meetings continue over Zoom web conference and we encourage you to join us. The HOA's annual meeting is next and will be held on January 11, 2021. We need to establish a quorum for this meeting, and we need 39 homeowners to attend or submit proxies. Please help us achieve that this year. You will receive the 2021 budget, meeting notice and proxy in the mail by the end of December. If you cannot attend via Zoom, please mail or scan and email your proxy back to our property manager before January 11th. The Board is planning a small HOA quarterly dues increase in 2021, because our monthly reserve contributions have dropped too low to maintain a healthy reserve fund balance. Look for more on this in the annual meeting notice mailing. Please know that we take your concerns and questions seriously, and feel free to contact us any time using our website - www.springcreekmeadows.net. Thank you.

Mailbox Replacements Approved!

As many of you know, the community has experienced some theft from our mailbox clusters on a couple of occasions this past year. Most of our mailbox units were installed in the 1990's and are showing their age. Our property management company has been working with the official US Post Office vendor to get proposals for replacement. We were able to secure a discount if we agreed to replace them all at once and the Board has approved that to be done from our reserve funds. The new mailbox clusters will be ordered and installed in the first quarter of 2021. We did not want to do that during the holidays and risk disrupting package deliveries this time of year. These new units are more secure and we hope will deter future theft attempts. The new mailboxes will also increase the number of parcel delivery boxes in the community to give us increased capacity for online orders. Stay tuned in 2021, for more information and instructions on getting each of you your assigned box number and new keys. We encourage all homeowners to have a current email address on your HOA account with the property management company. You need this for online web portal login and for us to email you HOA announcements and information such as what we will be doing with the new mailbox clusters.

News, Updates, and Other Important Information

- Winter is here and we want to remind all homeowners the HOA only provides snow removal on the common area sidewalks along Kirk, Quincy and Himalaya streets and in the greenbelt. Homeowners are responsible for removing snow from your driveways and sidewalks adjacent to your property. That includes the sidewalks along the side of your backyard if you are on a corner lot.
- From the Arapahoe County website <https://www.arapahoegov.com/639/Snow-Removal>:
 - Property owners or contractors are not allowed to place snow from private property on county streets (C.R.S. 43-5-301).
 - Sidewalk cleaning is the responsibility of the property owners and they should keep sidewalks abutting their property clear of the natural accumulation of snow and or ice. Snow and or ice should be removed within 24 hours.
 - Fire hydrants on private property need to be cleared by the property owner to enable fire department access.
- Please remember the HOA rules regarding seasonal decorations and lighting. "Seasonal decorations are allowed, if removed within 14 days following the holiday, unless inclement weather prevents safe removal."
- Email blasts and our web portal offer a great opportunity to share more HOA information with homeowners. Please be sure our property manager has your email address if you wish to have this electronic access and information. The web portal also offers you the ability to pay your quarterly HOA dues online. To receive emails or get more information on our web portal, please contact our property management team via email at jasmn@maximummgt.com or by calling 303-369-0800 and pressing 0 for the receptionist.
- The web portal allows you to view your HOA account online, make payments and review HOA financials, governing documents and guidelines. To access Maximum Property Management's user-friendly portal you need to register first. Contact Jasmin for help.
